### **Job Overview**

We are seeking compassionate and dedicated Direct Support Professionals (DSP) to provide essential support to individuals with disabilities OR Autism in various settings, including home and community care. The ideal candidate will have experience working with people with disabilities and a strong commitment to enhancing their quality of life through assistance and care. This role requires a blend of patience, empathy, and practical skills to ensure the well-being of our clients.

### **Responsibilities**

- Assist individuals with daily living activities, including personal hygiene, meal preparation, and medication management.
- Provide support in community integration activities, ensuring clients can participate in social events and outings.
- Maintain a clean and safe environment for clients, adhering to health and safety standards.
- Help clients with mobility needs.
- Document client progress and report any changes in behavior or health status to the appropriate personnel.
- Collaborate with healthcare providers, including nurses and other professionals, to deliver comprehensive patient care.

### **Requirements**

- High school diploma / GED
- Acceptable driving record, valid driver's license and access to an automobile that can be used to transport individuals
- Acceptable CORI, DPPC record request, and background fingerprinting check required
- Previous experience working with individuals with disabilities is helpful.
- Strong interpersonal skills with the ability to build trusting relationships with clients.
- A compassionate attitude toward providing care and support to individuals in need.
- Excellent organizational skills and attention to detail in maintaining client records and documentation.

Join us in making a positive impact on the lives of those we serve by providing exceptional direct support!
